Dear Families,

The teachers in our middle school grades have worked together to create a color-coded organization system that will be used across grades 5-8, which will make it possible for students to reuse their folders from year to year.

All students in grades 5-8 need to bring the supplies listed to the left. Look at the boxes below to see what you will need for each specific subject area.

If a school supply isn't on this list, please keep it at home. Exceptions will be made if we are working on a special project and you have something that would be helpful to bring in.

Thank you! -Gr. 5-8 Teachers
